

Dear Parents,

Thank you very much for your interest in hosting an unforgettable party at our venue! We're here to help you create a unique experience filled with fun and magical moments for your children.

At Maze Games, we specialize in organizing unique and entertaining birthday parties for children of all ages. As pioneers in escape room parties since 2016, we've hosted hundreds of successful events that have delighted both kids and adults. Our experienced team ensures that every event is safe, full of joy, and rich in beautiful memories.

Our Spaces for Unforgettable Parties

We offer a spacious room for your party:

- **Large Room (ground floor):** €45 per hour

You may also reserve exclusive access to our entire facility during your party for €450 per hour, regardless of the number of guests.

The Escape Experience and Pricing

- Our parties last a total of 3 hours and include two 1-hour games, plus a 1-hour break for food and cake. Children are divided into teams and play one game at a time. The cost is €26 per person for both games, in addition to the room rental fee.
- For a shorter, 2-hour party with one game, the price is €15 per person. Alternatively, you can choose the **extended party** option, which includes 3 hours of gameplay and a total party duration of 4 hours, at €36 per person.

Note: A minimum charge applies for 12 people in the large room.

Food and Catering

The cost for food service is €6 per person and includes:

- Three pizza slices, cake, cookies, fresh popcorn, unlimited hot coffee (self-service espresso, French coffee, tea), and one juice or soft drink per person.

Alternatively, you are welcome to handle the catering yourself at no additional cost, or, if you prefer, we can suggest a more comprehensive menu tailored to your preferences. The birthday cake is not included in the food package.

For any questions or additional information, we are here to help and would be delighted to assist you. We look forward to welcoming you and creating an unforgettable experience for your children!
